

Exploring Collaboration Between ICANN & Academia

The Internet Corporation for Assigned Names and Numbers (ICANN) and the Association of African Universities (AAU) invite you to attend the second in a series of webinars raising awareness on the Domain Name System.

The interactive webinar will explore collaboration between ICANN and Universities in Africa in the areas of the Identifier Technology Health Indicators (ITHI) and the Domain Name System Security Extensions (DNSSEC).

Date:

Thursday, 21 January 2021 - 12:30-14:00 UTC

Where:

Online – Via Zoom
